THE WORLD OF INTERIORS

1. THE TIMBERMAKER are a design-led furniture brand where their talented designers and craftsmen work tirelessly to create pieces that inspire and provoke awe! By using sustainably sourced materials they create pieces that are not just functional and ethical but also ensure that the customer appreciates and enjoys their furniture. Visit www.timbermaker.com and follow @thetimbermaker on Instagram.

2. TOSCA & WILLOUGHBY have specialised in bespoke wooden loo seats for over 40 years and have supplied some of the most prestigious houses and projects worldwide. From their Thunderbox seats in oak and mahogany and the Albany in a variety of timbers and finishes, their seats are individually hand finished to the highest standards. Discover more at www.looseats.com and follow @toscaandwilloughby on Instagram.

3. TEN CARPETS has 120 years of experience in the trade and manufacturing of handmade carpets that stand out for their high quality and aesthetic value. The collection includes gems from antique carpets to classical, vintage, modern and bespoke. This Uzbek kilim is a perfect example of the late 19th century, where tradition blends with sheer talent to create a small masterpiece. Explore their collection on www.tencarpets.com and follow @ten_carpets on Instagram.

4. BOHEMIAN LAB is a small candle studio from the Czech Republic, creating unique handcrafted candles with custom made fragrances in original vessels. Owner Karolína Röderová, who studied how to compose fragrances and learned how oils are created, strives to provide an 'all-sense' experience for her customers. Visit www.bohemianlab.cz and follow @bohemian_lab on Instagram.

5. Committed to supporting tradition and sustainability, partners Chessa Osburn and Mary Jane Bolton of **TWENTY ONE TONNES** work with artists to create quality handmade products with local natural materials. These floating fawn pendant light shades are handwoven by female artists in Ghana and bring a striking natural element to any room. Visit www.twentyonetonnes.com or follow @twentyonetonnes on Instagram.

6. SASHA COMPTON is a British Artist based in London who explores the natural world around her using authentic production methods. By creating modern reinterpretations of classical concepts, Sasha transports viewers into a timeless world of Art. With a colourful lens on life, her perfectly imperfect artworks are sure to add a splash of joy. New works launching 5th May 2022.
