

# HOW TO GET CREATIVE WITH TILES

WORDS RACHEL EDWARDS

## INTRODUCE PATTERN

Here, a mix of large and small tiles has been laid in a striking design that doesn't dominate the room because the warm putty shades and grey/blue of the flooring have been echoed on the walls and woodwork. It's the perfect way to get a lively but liveable look.

**Rosso Tumbled Marble**, £54.90/sq m; **Verdi Alpi Tumbled Marble**, £142.80/sq m; **Carrara Tumbled Marble**, £78/sq m; all Mandarin Stone. For a similar **sofa**, try Nordic Nest. For a similar **wall colour**, try Blush; for a similar **door colour**, try Juniper Ash; both Little Greene

## CUSTOMISE YOUR FURNITURE

Bespoke pieces offer the opportunity to create something that perfectly suits your space, and adding tiles can ensure they work indoors and out. Ideal for a terrace or conservatory, this amazing green bench in blue and white tiles just needs some cushions to soften and provide comfort.

**Blue Marine Stripes Zellige tiles**, £150/sq m, Otto Tiles
